DR. DAVID KENNEY, <i>et al.</i> ,)	ORDER GRANTING PLAINTIFF'S
)	MOTION FOR EXTENSION OF TIME
Defendants.)	
_____)	

This is a civil rights action filed under 42 U.S.C. § 1983. This matter comes before the Court on plaintiff's motion to for an extension of the discovery deadline. The Court, having reviewed plaintiff's motion, defendants' response thereto, and the remaining record, does hereby ORDER as follows:

(1) Plaintiff's motion for an extension of time (Dkt. No. 57) is GRANTED. Plaintiff, by way of the instant motion, seeks an extension of the discovery deadline so that he may locate, and be examined by, a board certified nephrologist. Defendants oppose plaintiff's motion on the grounds that plaintiff failed to confer with defendants' counsel before requesting relief from the Court as required by Local Rule CR 37(a)(2), and that plaintiff has not articulated a valid basis for the relief he requests.

01 The Court notes, with respect to defendants' first argument, that the current version of
02 this Court's Local Rules contains no Rule CR 37(a)(2). It appears that counsel intends to refer
03 to Fed. R. Civ. P. 37(a)(1) and/or to Local Rule CR37(a)(1)(A). Rule 37(a)(1) of the Federal
04 Rules of Civil Procedure requires that a party seeking to compel discovery include in the
05 motion a certification that the moving party "has in good faith conferred or attempted to confer"
06 with the party failing to make disclosures. *See* Fed. R. Civ. P. 37(a)(1). Local Rule CR
07 37(a)(1)(A) provides that "a good faith effort to confer with a party or person not making a
08 disclosure or discovery requires a face-to-face meeting or a telephone conference." Because
09 plaintiff is not seeking to compel discovery, but merely seeking an extension of time, neither
10 Fed. R. Civ. P. 37(a)(1) nor Local Rule 37(a)(1)(A) appear to apply.

11 Defendants' second argument, that plaintiff has presented no valid basis for the
12 requested extension is also off target. Defendants construe plaintiff's request for additional
13 time as being based on his need to obtain more information from defendant Kenney, and they
14 argue that plaintiff has demonstrated his ability to request relevant discovery from defendants
15 and that he has had ample time to do so. However, it is clear from the face of plaintiff's motion
16 that his request for additional time does not concern his ability to obtain timely discovery from
17 defendants, but his ability to obtain a timely opinion from an outside expert given that he is
18 incarcerated.

19 As defendants have offered no meritorious opposition to plaintiff's motion, and as it
20 does not appear that the additional time requested will cause any prejudice or will unduly delay
21 these proceedings, the request for additional time will be granted.

01 (2) Accordingly, the discovery deadline in this matter is hereby extended to
02 ***February 17, 2011***, and the dispositive motion filing deadline is extended to ***March 17, 2011***.

03 (3) The Clerk is directed to send copies of this Order to plaintiff, to counsel for
04 defendants, and to the Honorable Robert S. Lasnik.

05 DATED this 4th day of August, 2010.
